CONSENT FOR ACCESS

I, the undersigned, am the owner, their representative, or otherwise control the real property at the location described below. The Environmental Protection Agency (EPA) has requested access to my property pursuant to its response and enforcement responsibilities under the Comprehensive Environmental Response, Compensation and Liability Act as amended (Superfund), 42 U.S.C. 9601 et seq.

I consent to officers, employees, and authorized representatives of the U.S. EPA, including their authorized contractors, entering and having continued access to my property for the duration of the site inspection. I further allow access to State officials who may accompany them. Access is granted for the purpose of investigation, monitoring, surveying, testing and collection of other information and data as may be necessary.

Site activities may include:

1. Taking of soil, water, dust, sediment and air samples as necessary.

I understand that the work described above may involve, among other things, disturbance of vegetation and soil on my property. I also understand that any disturbed land will be restored to substantially the same condition as existed prior to sampling.

It is my right to request split samples (a reasonable duplicate of materials sampled) where an adequate quantity of sample is available. I understand I am responsible for supplying necessary bottles at the time of sampling and making my own laboratory arrangements.

Property address or description:

Utah Paper Box
340 West 200 South
Salt Lake City, UT 84101
ATTN: Mike Salazar

Sampling will take place inside the above building.

This written permission is given by me voluntarily with knowledge of my right to refuse and without threats or promises of any kind.
